

2016 Mortuary Science Continuing Education Seminar Programs **February 20th, March 5th, March 19th, March 26th & April 2nd, 2016**

Attention: FUNERAL SERVICE LICENSEES

IMPORTANT: Renewals Due April 30, 2016

Saturdays: See dates and times below.

The Anatomical Services Division, UMB School of Medicine, is offering Continuing Education Seminars. The CEU programs are approved by the Maryland State Board of Mortician & Funeral Directors. The License Renewal Period is only months away and each licensee is required to have 12 credit hours of approved continuing education. This may be your last opportunity to fulfill the board requirement for license renewal. Seminars start promptly at 8 a.m.

***There may be by necessity some changes in the scheduled presentations.**

The organizers of the mortuary science seminar series would like to acknowledge and express appreciation to the following supporters: The Maryland Vital Statistics Administration, DHMH, The Maryland State Board of Morticians and Funeral Directors, The Maryland Department of Veteran Affairs. All the previous presenters, who over the years have donated their time and energy to advance professional education in mortuary science, we thank you.
